Technical Data Sheet

(DN6) DIN506 Heavy Duty Plummer Blocks (4 Bolt)

The chart shown above details the static load capacity of DIN506 units.

The DIN506 is a heavy duty four bolt plummer block which consists of a fully split cast iron housing and a split gunmetal bush. The units are suitable for grease lubrication and replacement bushes can be easily fitted.

For dimensions and further details refer to section A11 in the Arvis catalogue.
